# ATA EXECUTIVE DIRECTOR'S WELCOME

Welcome to the 2021 AIM National Youth Championship Tournament. We are extremely grateful and excited to be back in Sparta this year to host the championship tournament. Every effort has been made to offer all that we can to make your commitment to attend the tournament exciting, educational, and fun.

Thanks first to the competitors, parents, and coaches for making the yearlong commitment of time and resources to our sport and the AIM program. We are grateful for your dedication and wish you the best.

Royce Graff and Amber Schwartz from the NSSA-NSCA headquarters will be helping us again this year to ensure that the AIM Sporting Clays and Skeet championships are another successful event. The Grand American management staff and line staff will be putting forth their best efforts to make sure you have every opportunity to do your best in competition.

This tournament would not be possible without the tremendous support of our sponsors. Please look over the sponsorship list and consider these companies when making your purchase decisions. They do a lot to support us, so they deserve our support also.

After the challenges we faced last year and the temporary relocation of the AIM Championship and the Grand American, it became evident that these events are the "Pride of Southern Illinois". Residents and businesses in this region dedicate a great deal of time, resources, and efforts toward their participation and contribution to this annual event. Many of the staff members are on hand not because they have to be, but because of their civic pride. They are a major factor to the success of this tournament and we thank them and admire their loyalty.

Finally, thanks to the AIM team for their detailed planning and preparation for the AIM Championships. Led by Jamie Jeffers, Kait Giacomo and Serita Long have spent many hours going over the details and making the arrangements for every aspect of the tournament.

Just like your AIM competition teams, the AIM Championships staff are truly a team effort. OUR team will do its best to make sure that YOUR team takes home many, many lifelong memories, and maybe a few trophies too!

Best Wishes,

*Lynn Gipson*

# AIM CHAMPIONSHIP RULES

## CATEGORIES (Based on Renewing Members):

Category	Age
Pre-Sub	Age 11 and Under
Sub-Junior	Age 12-14
Junior	Age 15-17
Junior Gold	Age 18-22

## TARGET YEAR: September 1st, 2020 – August 31st, 2021

**New Members** - Age category is based on your age the day you join the ATA. **Renewing Members** - Age category is based on your age as of 9-1-2020. Shooters who become eligible for new age based categories during the target year may elect to continue to compete in the previous category for the remainder of that target year. Example: A shooter reaching age 18 may elect to continue to shoot as a Junior for the remainder of the current target year. However, once a shooter has elected to move to the new category, that decision is irrevocable and he/she may not again declare eligibility for the previous category. ALL mid-year category changes must be submitted to the ATA office within 7 business days of the shooter's birthday by calling 618-449-2224 or emailing [aim@shootata.com](mailto:aim@shootata.com).

**SINGLES** Classes within each category will be used for the AIM Grand Singles Championship. Singles classes for each age category are as follows:

CLASS	PRE-SUB	SUB-JUNIOR	JUNIOR	JUNIOR GOLD
AAA	N/A	92% - 100%	95% - 100%	N/A
AA	N/A	88.5% - 91.99%	92.5% - 94.99%	97% - 100%
A	82% - 100%	84.5% - 88.49%	90% - 92.49%	95% - 96.99%
B	72% - 81.99%	80.5% - 84.49%	87% - 89.99%	93% - 94.99%
C	61% - 71.99%	72.5% - 80.49%	82% - 86.99%	88% - 92.99%
D	Under 61%	Under 72.5%	Under 82%	Under 88%

**DOUBLES** Classification will be used at the AIM Grand Individual Doubles Championship. The following classes will be used for all age categories:

**Class A** 85.5% - 100%    **Class B** 78% - 85.49%    **Class C** 69% - 77.99%    **Class D** Under 69%

### AIM GRAND CHAMPIONSHIP PENALTIES

**SINGLES:** Class B or higher if less than 400 registered Singles targets in 2019, 2020, and the current target year.

**DOUBLES:** Class B or higher if less than 200 registered Doubles targets in 2019, 2020, and the current target year.

**HANDICAP:** 21 yards minimum if less than 300 registered Handicap targets in 2019, 2020, and the current target year.

## Please Note

- IT IS THE SHOOTER'S RESPONSIBILITY TO VERIFY THEIR INDIVIDUAL CORRECT YARDAGE PRIOR TO SHOOTING, OR THEIR SCORE COULD BE DISQUALIFIED.
- CLASSIFICATION IN BOTH SINGLES & DOUBLES AT THE AIM GRAND CHAMPIONSHIPS WILL BE BASED ON THE TOTAL AVERAGE FOR THE CURRENT TARGET YEAR OR THE LAST 400 TARGETS, WHICHEVER IS HIGHER.
- TARGET REQUIREMENTS ARE EXTENDED TO THE 2019, 2020 AND CURRENT TARGET YEAR FOR THE AIM CHAMPIONSHIP. THIS MEANS THAT ANYONE THAT MET THE MINIMUM TARGET REQUIREMENTS IN 2019, 2020 OR CURRENT TARGET YEAR, WILL BE ELIGIBLE THIS YEAR WITHOUT PENALTY.

Shooters are expected to have both their Singles average and Doubles average computed on the targets they have shot in the current year. If you haven't been classified, or if you need to verify classes, please go to Classification. Up to date average cards can be brought to Classification to review averages and yardages.

### FAILURE TO SHOOT FROM THE CORRECT INDIVIDUAL HANDICAP YARDAGE WILL RESULT IN SCORE DISQUALIFICATION.

It is the responsibility of all shooters to verify that they have been classified at the correct Handicap yardage. This includes **ALL** earned yardage from any prior registered tournament even if it was just prior to the AIM Grand Championships, and not yet entered into official ATA records. Also, any shooter that has ever registered targets in another shooting organization must inform classification **BEFORE** their Handicap yardage has been determined. These shooters will be required to shoot from the greatest documented yardage (Rule VI.C.4). All trophies or monies won for a disqualified score must be returned (Rule XII.B.7). Any yardage earned for a disqualified score will be added to the shooter's average card (Rule XII.B.8).

**SQUAD CATEGORY** Shooters may shoot on a squad composed of members of other categories. However, the squad will be shooting in the highest category represented in the squad. (Example: If a squad is comprised of 1 Pre-Sub, 2 Sub-Juniors, and 2 Juniors, the squad will be competing in the Junior category) Moving up in age group is for Team/Squad purposes only and does not affect a shooters individual category with AIM.

For Singles, squads are defined as five (5) shooters competing on the same squad, at the same registered shoot, at the same gun club, and on the same trap field. There are no exceptions to this rule for this discipline. For Skeet and Sporting Clays, four (4) person squads will be considered a team for trophy determination. Shooters will compete in the order they've signed up, unless changes are made by the coach. For these events only, all squad members do not have to compete on the same field, at the same time, to be eligible for team trophies.

**SQUAD/TEAM CLASS** Using the individual classification table found on the previous page, Singles squad classification will be based upon the composite average of the five shooters on the squad. The following classes will be used for penalty classified shooters:

	PENALTY CLASS (MINIMUM)	PENALTY AVERAGE (MINIMUM)
Pre-Sub	B	77%
Sub Junior	B	88%
Junior & Jr Gold	B	94%

# AIM ALL-AMERICAN POINTS

## Competition factor “7”

ATA All-American points will be awarded this year to Sub-Jr, Junior and Junior Gold ATA categories on the AIM trap events and High-All-Around. AIM Pre-Sub and AIM Sub-Jr shooters will be considered together to determine the ATA Sub-Jr Champion point winner and remaining All American points in that category. Category determination for the AIM Championship must mirror ATA rules (category is determined by birth date rather than beginning of target year category). There is no guaranteed AA competition factor for the AIM Championship, however a factor of “7” is expected to be obtained.

Shooters are encouraged to review the ATA All-American rules in Appendix II of the Official ATA Rules.

## FIREARMS AND AMMUNITION

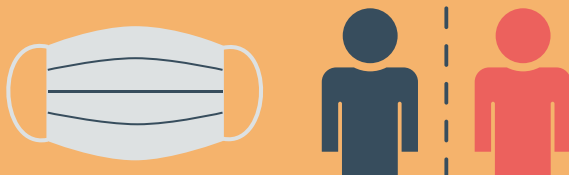

**FIREARMS TRANSFERS AND AMMUNITION SALES:** Illinois Public Act 99-0029 (rev. 2015) provides that any non-Illinois resident registered competitor or attendee of a nationally sanctioned competitive shooting event who is not prohibited otherwise from purchasing or obtaining a long gun or long gun ammunition may do so on the grounds of the World Shooting Complex during the event with no waiting period. Firearms transferees will be required to check in at a designated area in the WSRC Event Center prior to initiating a firearms transfer. All federal regulations and any regulations of the transferee's state of residence concerning firearms transfers will be applicable. Firearms transfers to Illinois residents will require the presentation of a valid Illinois Firearms Owners Identification (FOID) card and will be subject to all statewide firearms transfer regulations.

**AMMUNITION AVAILABILITY:** Ammunition may be limited. It may be necessary to restrict ammunition sales based upon event entry. This may require presentation of a cashiering receipt in order to purchase ammunition in quantity not to exceed the need for events for which you have cashiered. **We strongly recommend you bring your own ammunition.**
