

GRAND NATIONAL YOUTH
**TRAPSHOOTING
CHAMPIONSHIPS**

JULY 29 - AUGUST 2, 2022

World Shooting & Recreational Complex • Sparta, FL

ATA EXECUTIVE DIRECTOR'S WELCOME

Welcome to the 2022 AIM National Youth Trapshooting Championships!

We're glad you're here and thankful for your support of the AIM program all year. The AIM program continues to grow, offering a balanced program of registered trapshooting not only during this championship tournament, but all year long with the Monthly Shooting Events, State Championship tournaments and the On Line singles and handicap events.

Savage Arms makes their debut as an AIM sponsor this year with their support of the Shooting Showdown .22 caliber, 9mm and 28 gauge events. The Parent /Coaches competition is also back this year as is the Annie Oakley shoot out (Saturday), this year sponsored by Fiocchi.

Registered competition begins on Sunday with the AIM National Youth Handicap Championship sponsored by Browning, followed by the AIM National Youth Doubles Championship sponsored by Winchester. Monday and Tuesday will once again be the days of the AIM National Youth Singles Championship sponsored by Fiocchi, 100 of each per day.

Due to the large number of early morning practice shooters, we will be offering Early Bird practice on many program traps from 7:30 to 8:30 on Sunday, Monday & Tuesday mornings. You **MUST** buy your practice token at East or West practice buildings (NO tokens will be sold at the program traps) to give to the scorekeeper on the program field of your choice. No practice squads will be allowed to go to the line on the program fields after 8:30, however East and West practice will be open all day, just as in the past.

Evening events will include Sling 'N Scoops ice cream social on Saturday, the Hog Dog party on Sunday and the Browning/White Flyer/Winchester Pizza Party and Fiocchi exhibition shooter on Sunday. Check schedule for other daytime activities also.

Take a look at the list of AIM Title Sponsors in this program and be sure to visit them and thank them for their support of the AIM program. If you've got a purchase decision to make, be sure to consider our sponsors. They helped us, so try to help them!

Thanks again to all competitors, parents and coaches to devoting your time, talents and resources to participation in the AIM program, and our great lifetime sport. Some of the friendships you develop through participation in the AIM program and ATA registered trapshooting, could very likely go on for the length of your life. Mine have!

Good Luck and Good Shooting!

Lynn Gipson

AIM CHAMPIONSHIP RULES

CATEGORIES

(Based on Renewing Members):

Category	Age
Pre-Sub	Age 11 and Under
Sub-Junior	Age 12-14
Junior	Age 15-17
Junior Gold	Age 18-22

TARGET YEAR: September 1st, 2021 – August 31st, 2022

New Members - Age category is based on your age the day you join the ATA. **Renewing Members** - Age category is based on your age as of 9-1-2021. Shooters who become eligible for new age based categories during the target year may elect to continue to compete in the previous category for the remainder of that target year. Example: A shooter reaching age 18 may elect to continue to shoot as a Junior for the remainder of the current target year. However, once a shooter has elected to move to the new category, that decision is irrevocable and he/she may not again declare eligibility for the previous category. ALL mid-year category changes must be submitted to the ATA office within 7 business days of the shooter's birthday by calling 618-449-2224 or emailing aim@shootata.com.

SINGLES

Classes within each category will be used for the AIM Grand Singles Championship. Singles classes for each age category are as follows:

CLASS	PRE-SUB	SUB-JUNIOR	JUNIOR	JUNIOR GOLD
AAA	N/A	92% - 100%	95% - 100%	N/A
AA	N/A	88.5% - 91.99%	92.5% - 94.99%	97% - 100%
A	82% - 100%	84.5% - 88.49%	90% - 92.49%	95% - 96.99%
B	72% - 81.99%	80.5% - 84.49%	87% - 89.99%	93% - 94.99%
C	61% - 71.99%	72.5% - 80.49%	82% - 86.99%	88% - 92.99%
D	Under 61%	Under 72.5%	Under 82%	Under 88%

DOUBLES

Classification will be used at the AIM Grand Individual Doubles Championship. The following classes will be used for all age categories:

Class A	85.5% - 100%	Class B	78% - 85.49%	Class C	69% - 77.99%	Class D	Under 69%
---------	--------------	---------	--------------	---------	--------------	---------	-----------

AIM GRAND CHAMPIONSHIP PENALTIES

SINGLES: Class B or higher if less than 400 registered Singles targets in the current target year.

DOUBLES: Class B or higher if less than 200 registered Doubles targets in the current target year.

HANDICAP: 21 yards minimum if less than 300 registered Handicap targets in the current target year.

Please Note

- IT IS THE SHOOTER'S RESPONSIBILITY TO VERIFY THEIR INDIVIDUAL CORRECT YARDAGE PRIOR TO SHOOTING, OR THEIR SCORE COULD BE DISQUALIFIED.
- CLASSIFICATION IN BOTH SINGLES & DOUBLES AT THE AIM GRAND CHAMPIONSHIPS WILL BE BASED ON THE TOTAL AVERAGE FOR THE CURRENT TARGET YEAR OR THE LAST 400 TARGETS, WHICHEVER IS HIGHER.

Shooters are expected to have both their Singles average and Doubles average computed on the targets they have shot in the current year. If you haven't been classified, or if you need to verify classes, please go to Classification. Up to date average cards can be brought to Classification to review averages and yardages.

FAILURE TO SHOOT FROM THE CORRECT INDIVIDUAL HANDICAP YARDAGE WILL RESULT IN SCORE DISQUALIFICATION.

It is the responsibility of all shooters to verify that they have been classified at the correct Handicap yardage. This includes **ALL** earned yardage from any prior registered tournament even if it was just prior to the AIM Grand Championships, and not yet entered into official ATA records. Also, any shooter that has ever registered targets in another shooting organization must inform classification **BEFORE** their Handicap yardage has been determined. These shooters will be required to shoot from the greatest documented yardage (Rule VI.C.4). All trophies or monies won for a disqualified score must be returned (Rule XII.B.7). Any yardage earned for a disqualified score will be added to the shooter's average card (Rule XII.B.8).

SQUAD CATEGORY

Shooters may shoot on a squad composed of members of other categories. However, the squad will be shooting in the highest category represented in the squad. (Example: If a squad is comprised of 1 Pre-Sub, 2 Sub-Juniors, and 2 Juniors, the squad will be competing in the Junior category) Moving up in age group is for Team/Squad purposes only and does not affect a shooter's individual category with AIM.

For Singles, squads are defined as five (5) shooters competing on the same squad, at the same registered shoot, at the same gun club, and on the same trap field. There are no exceptions to this rule for this discipline. For Skeet and Sporting Clays, four (4) person squads will be considered a team for trophy determination. Shooters will compete in the order they've signed up, unless changes are made by the coach. For these events only, all squad members do not have to compete on the same field, at the same time, to be eligible for team trophies.

SQUAD/TEAM CLASS

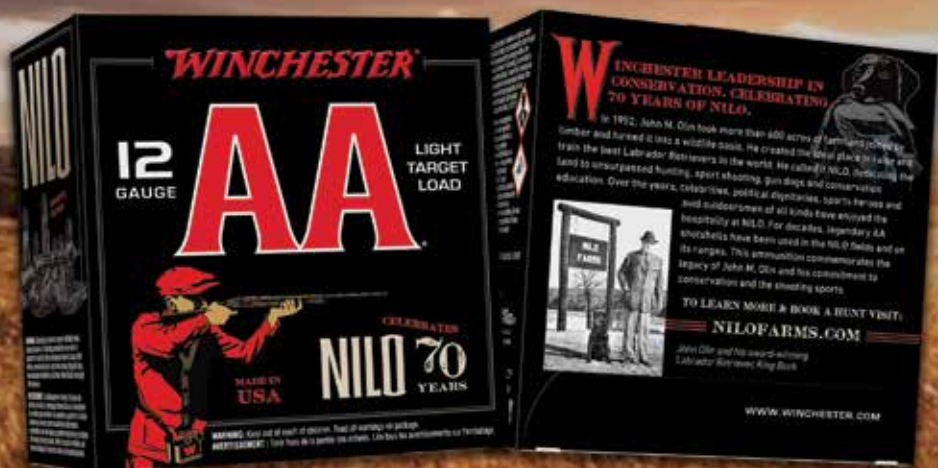

Using the individual classification table found on the previous page, Singles squad classification will be based upon the composite average of the five shooters on the squad. The following classes will be used for penalty classified shooters:

	PENALTY CLASS (MINIMUM)	PENALTY AVERAGE (MINIMUM)
Pre-Sub	B	77%
Sub Junior	B	88%
Junior & Jr Gold	B	94%

AIM ALL-AMERICAN POINTS

Competition factor “7”

ATA All-American points will be awarded this year to Sub-Jr, Junior and Junior Gold ATA categories on the AIM trap events and High-All-Around. AIM Pre-Sub and AIM Sub-Jr shooters will be considered together to determine the ATA Sub-Jr Champion point winner and remaining All American points in that category. Category determination for the AIM Championship must mirror ATA rules (category is determined by birth date rather than beginning of target year category). There is no guaranteed AA competition factor for the AIM Championship, however a factor of “7” is expected to be obtained.

Shooters are encouraged to review the ATA All-American rules in Appendix II of the Official ATA Rules.
